

# Engineering Professionals

- Team Environment
- Flexible
- Career Development

An opportunity exists for Engineers, Inspectors, Civil Supervisors and Technical Officers to join our expanding team of highly skilled civil engineering professionals. Mentored by our qualified and experienced RPEQ staff you will utilise your broad range of capabilities covering the field of civil engineering services.

With flexible hours offered, GenEng will

- > use your project management skills
- > use your strong collaborative skills
- > use your attention to detail in a work environment
- > ensure you continue to retain your high proficiency in the computer software relevant to the industry.

For further details contact Ged Brennan on 0408 294 409 or visit our website [www.genengsolutions.com.au](http://www.genengsolutions.com.au) for a position description.

Take the next career step by sending a cover letter and resume to [admin@genengsolutions.com.au](mailto:admin@genengsolutions.com.au).
